

## Mike van Dulken joins the Radnor team

Mike joins Radnor from Accendo Markets where he was Head of Research. He began his career as an Equity Analyst at Jefferies, principally focused on Small and Mid-Cap equities in Europe. In 2007 Mike moved to Société Générale, supporting hedge funds with pan-European equity ideas and operated within the Relative Value team.

---

*“Mike’s experience engaging investors on listed companies across multiple sectors and geographies will add significantly to the Radnor team’s capabilities. Mike’s combination of analytical and investor knowledge will compliment and extend our footprint.”*

*Radnor are wrapping up a good 2019, welcoming many new clients and employees to the business. We are confident our advisory model will thrive in the evolving capital markets landscape.”*
